### Regulations

The City of Salina requires the following sizes and colors to be used when marking curbs with house numbers, as authorized by Section 35-108 of the Salina Code:

#### Size

The size of the numbers used for marking house numbers on curbs shall be four (4") or five (5") inches in height.

#### Color

The following combinations may be used for marking house numbers on curbs:

- White numbers on black background
- Black numbers on white background
- White numbers on dark green background
- White numbers on no background
- Black numbers on no background

### **Sec. 35-109. Public disclaimer.**

Any advertisements or solicitations by a curb marking license holder shall include the statement that: "This is not a city government, fire or police department program. Our firm is licensed by the City of Salina to perform curb marking, but the city neither requires this type of curb marking, nor endorses any particular curb marking service".  
(Ord. No. 96-9768, § 1, 11-4-96)
